Welcome to the Fisher's Law Office Newsletter.  
Providing you with legal information you can use in your everyday life.

## How can you tell if you have a good or bad attorney?

Ask the following:

- Does your lawyer explain in simple terms what your case is about and what you have to prove to win?
- Does your lawyer answer phone calls or call you back promptly?
- Does your lawyer tell you about the “timeline” of your case and the statute of limitations (time limit to file a case)?
- Does your lawyer have malpractice insurance?
- Does your lawyer have Florida Bar complaints or has he/she ever been sanctioned or punished for unethical behavior by the Florida Bar?
- Has your lawyer ever litigated your type of case before?
- Did your lawyer confirm his scope of representation of you and the attorney's fees in writing?
- Where did your lawyer go to law school?
- How long has your lawyer practiced law?
- Has your lawyer changed law firms recently or changed firms multiple times?
- Does your lawyer bill you monthly for services?
